is to be taken by valuation in the usual way.

RICHARDSON AND WRENCH have
received instructions from the Proprietors to
by public auction, at the Rooms, Flit-street, Sydney,
MONDAY, the 15th June next, at 11 o'clock,
The above valuable cattle property.

ISLAND, under a lo

166 SQUARE MILES, of richly grained farming country, abundant water throughout by natural brooks and permanent water bodies. Monte Christo is distant from the town of Gladstone about 20 miles by water and 40 land. A good water supply is available twice every month at low water. Spring-tides, but cattle can be grazed over without the slightest inconvenience, at all other times the sea forms a natural fence. Again at other times the sea forms a natural crossing place is guarded by a secure fence, and the run is also subdivided by fencing. Its carrying capacity is reckoned at 12,000 head of cattle, at all seasons.

containing every one
gentleman's family.

erected kitchen with two rooms. Six-room building containing store, laundry, meat house, etc., and man's or 4 rooms.

Bolting and milking sheds, and at the leading place erected a boat shed and receiving house.

THE STOCKYARDS are newly built, and completely equipped for the convenience of the shippers. They are capable of holding 10,000 head of cattle. Most of the buildings are erected on 1207 acres of land (obtained under the Homestead Act) and are in the process of being securely fenced, and beautifully situated on Monte Cruz Creek. Another very valuable parcel of 840 acres, lately acquired, is situated at the southern end of the same tract, and is also in the process of being improved. The cottages, kitchen, stockyard, etc., are erected a four-room cottage, kitchen, stockyard, etc.

With this compact Station will be sold, 2000 HEAD OF CATTLE, and, in less, to be trusted, 2000 head delivered.

the market in consequence

prospector being a resident in Europe. As a cattle station and a sheep station, it is a very big place, and subdivided into paddocks; it can be worked at a trifling expense, with the following qualities of its luxuriant grass and here also flourish being a goodly number of deer. It may also be used for a market fat stock at its own door (30 miles), as well as being situated in the very centre of increasing trade in live stock already established between Gladstone and the Gulf of Carpentaria.

An inspection of Cattle and Station is invited.

Men on view at the Moomba.

Terms, liberal.

SITE on the NOR

RICHARDSON and WRENCH have received instructions from W. P. Woolcott Esq., to sell by public auction, at the Rooms, Pitt-street, on an early date,
The above very desirable water-side residences at Berrys Bay, extending to deep water, on Berrys Bay North Shore.

62 The grounds occupy a most beautiful position at the point, with deep-water frontages to Berrys Bay, or manding extensive views of the harbour extending to the Heads on the east, and to the entrance to the Portmores Bay on the west. The grounds are planted with many trees, small islands, and inlets,—forming a grand panoramic picture unequalled in point of beauty by any scenery in the colony.

The villa residence is most substantially built of stone and was erected under the superintendence of Mr. Archibald Campbell.

It is fitted with every
throughout in good style.

 favoured with instructions from Robert Lo-
 renz, of Mudgee, to sell by public auction, at their Room
 385, George-street, Sydney, on **WEDNESDAY**, the

bed blocks of country
or less: a mixed bag

These runs are located by the celebrated stations of the late Pansy Jude, near Glen Grubbsbach and New situated on the Mole, Lower Macquarie, and are considered the finest fatening runs in the Western district, being well stocked with cattle; the runs are well watered, and the Macquarie, and abundance of game hares, myas, and salubrious.

The cattle are very superior, being bred from pure bulls for the last 20 years, and the steers from these runs command the highest price in the Sydney market.

The improvements at the stations are a 5-roomed as well as a 2-roomed cottage, a 2000-acre grass paddock, 2000-acre of purchased land to be taken at £1 per acre. The whole comprises one block of about 46,000 acres.
